Ana Martos Rubio

Breve Historia de Atila y los hunos / A Brief History of Attila and the Huns (Breve Historia... / Brief History...) Ana Martos Rubio

For centuries, eroticism, sensuality, and sex created disputed debates between medieval doctors, philosophers, and religious devotees who sought the secret of fertilization and the female sperm. As a result, numerous philosophical, theological, and medical theories emerged about sexuality, which in turn gave rise to myths and superstitions that have lasted until today. / La obra no solo abarca la querrela que durante casi siete siglos enfrento a los medicos seguidores de unos u otros autores, acerca de si la mujer eyacula semen durante el orgasmo y si ese semen es necesario para la procreacion, sino tambien el mundo erotico y amatorio de la epoca medieval.

About the Author

Ana Martos Rubio was born in Madrid half a century ago. She has studied psychology, computer science, music and languages. In 1992 she fulfilled her dream by leaving the worlds of business, consumerism, and stress in order to dedicate herself to literature. She has traveled throughout the world and has done such diverse activities as hang-gliding and medieval musical interpretation. She has published numerous technical and scientific books, as well as essays and short stories.
