Review

The Jesus Storybook Bible is, in my opinion, one of the best resources available to help both children and adults see the Jesus-centered story line of the Bible. Tullian Tchividjian, Senior Pastor of Coral Ridge Presbyterian Church -- PCA, Fort Lauderdale, FL.

From the Back Cover

The Jesus Storybook Bible in the special bilingual edition tells the Story beneath all the stories in the Bible. At the center of the Story is a baby, the child upon whom everything will depend. Every story whispers his name. From Noah to Moses to the great King David---every story points to him. He is like the missing piece in a puzzle---the piece that makes all the other pieces fit together. From the Old Testament through the New Testament, as the Story unfolds, children will pick up the clues and piece together the puzzle. A Bible like no other, The Jesus Storybook Bible invites children to join in the greatest of all adventures, to discover for themselves that Jesus is at the center of God's great story of salvation---and at the center of their Story too.
