Organise your office, stockroom or garage with this 4 bay GALWIX racking bundle...

Made from galvanised steel, the shelving units are corrosion resistant & strong enough to work as individual racks or side by side in a shelving system. This bundle comes with 2 packs of GALWIX racking units and each pack contains 2 bays, giving you 4 bays in total.

Features :

4 x galvanised steel racking units

Made from 0.8mm thick galvanised steel, zinc coated to prevent rust

Thick MDF boards for all shelves

Adjust the shelf heights for storing larger items

5 shelves per bay ? each of the shelves holds 175kg of evenly distributed weight, that's 3500kg in total!

Boltless easy to assemble

Split each rack in two to make smaller shelves workbenches

Moulded feet give extra stability to the bottoms protect the tops

Each unit measures: 90cm W x 30cm D x 180cm H

Full assembly instructions, not like you'll need it because it's pretty easy

Each of the boltless metal shelves can split in half to make workbenches or smaller racking bays, perfect for the home or office.

With the Tshaped interlocking mechanism, no bolts are required simply use a rubber mallet to knock the supports into place.
